Ah..I should get ready to go school.

The book I picked up a few days ago..

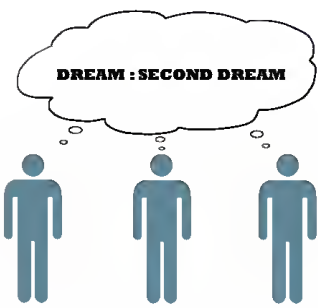
I suppose this book is what brought fun..
Into this dull life of mine..

I onginally thought it was some sort
of new religion to scam some people

Second. Dream..?
(What the hell?)

The "Second Dream" that the book refers to
is of another reality inside of our dreams.

But it's not limited to one person.



Other dreamers like me gather in the Second Dream.

The Second Dream is like..
a multi-player version of lucid dreaming?

When I woke up in the Second Dream, my head was like a bird's.

But there was food.

Yummy.

Really tasty.

And oh-so-delicious food.

That's mainly the reason why I can't afford to leave that world.

It's not like it's an addiction though.

Oi!
Didn't I tell you to come down early for breakfast?!
Hmph
Geez, a Highschooler can't even get up on time?
Ah.. I'm really so-
Oh shut up and eat! Hurry up so you can leave already!!

As expected, leftovers from a couple of days ago..
With the side dish of a week-old rice..
Disgusting..

But when I compare that with the food next to me.

This.. is why I chose to wake up late.

Why?
Should I take you to the orphanage again?
I took you in because I thought you were cute. So you should at least eat this and thank me for it as payment, okay?

This is why I am addicted to dreams

Reality is really sh*tty.
